## B2B Opportunities

There will be several opportunities for business to business meetings with Turkish companies. Depending on their interest, delegates can meet with manufacturers, retailers, agents, industry associations, anybody they need to do business in Turkey. Oct. 15th will feature workshops and b2b sessions. A great opportunity to connect with the Turkish apparel industry!

## Study Tour October 16-18

This year, Istanbul itself will be a world class location for a memorable study tour. The city lends itself perfectly to a combination of gaining industry insights and impressive cultural sights. The study tour is traditionally a combination of factory visits and social and cultural activities.
